- Double-sided printing as standard
- Maximum paper capacity 4,200 sheets
- Long-life components for outstanding reliability
- 500,000 page service interval

TASKalfa 620/820

▶print ▶copy ▶scan ▶fax

Professional productivity for heavy workloads

- 62/82ppm A4 and 31/41ppm A3 monochrome MFP
- Time to first copy: 3.6/2.9 seconds
- Warm-up time: 30 seconds from power on
- Double-sided single-pass 260 sheet document processor
- Paper capacity of 4,100 sheets (maximum 8,100 sheets)
- 8,100-sheet maximum capacity
- 500,000 page service interval

FS-C1020MFP

▶print ▶copy ▶scan ▶fax

The versatile colour professional

- Up to 20ppm in monochrome and colour
- Print, copy, scan and fax functionality as standard
- Time to first print: 14 seconds
- High image quality and economical colour output
- Duplex unit as standard for cost-saving double-sided printing
- Network interface as standard
- 35-sheet document processor as standard

TASKalfa 250ci

▶print ▶copy ▶scan ▶fax

Brilliant colour quality, attractive costs

- 25ppm A4 monochrome and colour
- New toner technology delivers stunning colour quality
- Double-sided printing and networking as standard
- 1,100-sheet capacity from 3 sources as standard
- 8½" colour control panel with thumbnail previews and help system
- 2GB memory and 80GB hard disk as standard

TASKalfa 300ci

▶print ▶copy ▶scan ▶fax

Advanced features, excellent colour quality plus expansion

- 30ppm A4 monochrome and colour
- New toner technology delivers stunning colour quality
- Double-sided printing and networking as standard
- 1,100-sheet capacity from 3 sources as standard
- 8½" colour control panel with thumbnail previews and help system
- 2GB memory and 80GB hard disk as standard

TASKalfa 400ci

▶print ▶copy ▶scan ▶fax

Combining stunning colour quality and great performance

- 40ppm A4 monochrome and colour
- New toner technology delivers stunning colour quality
- Double-sided printing and networking as standard
- 1,100-sheet capacity from 3 sources as standard
- 8½" colour control panel with thumbnail previews and help system
- 2GB memory and 160GB hard disk as standard

TASKalfa 500ci

▶print ▶copy ▶scan ▶fax

Exceed every expectation

- 50ppm A4 mono; 40ppm colour
- New toner technology delivers stunning colour quality
- Double-sided printing and networking as standard
- 1,100-sheet capacity from 3 sources as standard
- 8½" colour control panel with thumbnail previews and help system
- 2GB memory and 160GB hard disk as standard

TASKalfa 552ci

▶print ▶copy ▶scan ▶fax

Exceed every expectation

- 55ppm A4 mono; 50ppm colour
- New toner technology delivers stunning colour quality
- Double-sided printing and networking as standard
- 1,100-sheet capacity from 3 sources as standard
- 8½" colour control panel with thumbnail previews and help system
- 2GB memory and 160GB hard disk as standard

TASKalfa 550c

▶print ▶copy ▶scan ▶fax

Innovative technology for peak efficiency

- 55ppm (A4) print and copy speed, monochrome and colour
- 1,200dpi print resolution
- Up to 71ipm scanning speed
- Advanced finishing allows hole-punching, stapling and booklet folding
- 10.4" graphical control panel for easy operation
- Secure, encrypted PDF creation
- Optional IPSec and HD data encryption and over-write for added security

TASKalfa 650c

▶print ▶copy ▶scan ▶fax

Combining performance, quality and security

- 65ppm (A4) print and copy speed, monochrome and colour
- 1,200dpi print resolution
- Up to 71ipm scanning speed
- Advanced finishing allows hole-punching, stapling and booklet folding
- 10.4" graphical control panel for easy operation
- Secure, encrypted PDF creation
- Optional IPSec and HD data encryption and over-write for added security

TASKalfa 750c

▶print ▶copy ▶scan ▶fax

High speed, high volume, high quality

- 75/65ppm (A4) print and copy speed, monochrome/colour
- 1,200dpi print resolution
- Up to 71ipm scanning speed
- Advanced finishing allows hole-punching, stapling and booklet folding
- 10.4" graphical control panel for easy operation
- Secure, encrypted PDF creation
- Optional IPSec and HD data encryption and over-write for added security
